BUDGET & COMMITTEE	REPORTS	Things to follow up on:
Communications/Public Affairs Chair: Dr. Danz	<ul style="list-style-type: none"> The first meeting of the Committee on Women was held, with 17 attendees of a mixture of UH, TAMC, community psychiatrists; including Attendings and residents. Interest for future meetings was identified, including advocacy about women's health issues, networking, support/connectedness related to being a woman in psychiatry, and work/life issues Desire for list serve was raised. Question about how to create a list serve? Question of how to fund future meetings: charge vs. money supplied by HPMA. (\$400 spent on first meeting as previously approved by HPMA board.) Estimate two future meetings per year 	Listserv info: Reach out to SBI about it; look into APA for resources.
Resident Rep: Dr. Tanqueco	<ul style="list-style-type: none"> Nothing new to report Dr. Champion recommends thinking about how to get residents and fellows involved in policy issues. Suggested using the metaphor of being an entrepreneur of ideas, and advocating for your own job. Consider a reception for residents at some point. Milestone training criteria for residents includes advocacy Let residents know it takes only minutes to be involved 	<ul style="list-style-type: none"> Discuss with UH department about how to get residents involved. Dr. Schultz to inquire at department.
Ethics Chair: Dr. Prier (not in attendance)	<ul style="list-style-type: none"> No report 	
Legislative: Dr. Akaka	<ul style="list-style-type: none"> Bills are available to read online, with testimonies that have been provided. Dates of hearings are listed. Drs. Akaka, Tanqueco and Suzuki all testified personally in opposition to SB384 (Crash Course Psychologist prescribing), Dr. Smith Testified personally in opposition to HB767(Crash Course Prescribing) as well as in favor of HB914 Network Adequacy, and 	Phone calls are needed to ask 1) every member of the Senate to vote "YES on HB1272, improving access to psychiatric care,

	<p>Dr. Akaka testified in favor of HB1272 and SB1155 Collaborative Care.</p> <ul style="list-style-type: none"> • Result: HB767 (Crash Course Prescribing) was stalled in the House, SB 1155 stalled in the Senate, while SB384 (Crash Course Prescribing) passed the Senate and was sent to the house while HB1272 (Improving Access to psychiatric care via collaborative care), passed the house and was sent to the Senate. We are working diligently to Promote HB1272 in the Senate and to DEFEAT SB 384 when heard in the house. • A motion to seek a CALF grant in order to facilitate Collaborative Care throughout the state was passed unanimously. As Chair of CALF, Dr. Akaka abstained from the vote. 	<p>2) every member of the House to vote NO on SB384 (Crash Course Prescribing for Psychologists)</p>
